PROFESSIONAL SUMMARY

Results-driven Full Stack Developer with 3+ years of experience developing scalable web applications using React.js, Redux, TypeScript, Node.js & REST APIs. Proven impact: reduced UI development time by 40%, cut load times by 50%, and decreased recurring UI defects by 30%. Strong expertise in Agile, CI/CD, and Microsoft Azure deployments.

CORE SKILLS

Frontend: React.js, Redux, Hooks, Context API, JavaScript (ES6+), TypeScript, HTML5, CSS3, SASS, Material-UI, Bootstrap, Storybook **Backend & APIs:** Node.js, Express.js, REST APIs, Socket.IO, MongoDB, MySQL, Redis, JWT **Cloud & Tools:** Microsoft Azure (App Services, AKS, Blob Storage), Docker, CI/CD

PROFESSIONAL EXPERIENCE

Software Developer | Genpact, Bangalore Aug 2022 – Jun 2025

Project 1: Cox Enterprises – Reusable Component Library (React, TypeScript, Storybook, Azure, Docker)

- Built 50+ reusable, typed React components → reduced UI development time by **40%**
- Improved rendering performance by **25%** using memoization & useCallback
- Added Storybook + Jest automated testing → reduced UI defects by **30%**
- Delivered pixel-perfect, cross-browser components from Figma designs

Project 2: Real-time Task Management WebApp (React, Redux, Node.js, MongoDB, Socket.IO)

- Developed real-time platform with live notifications & analytics → **35%** productivity gain
- Optimized dashboard load time by **50%** (MongoDB indexing + React optimizations)
- Implemented JWT authentication, role-based access & optimistic concurrency

Project 3: Real-time Collaboration Platform (React, Node.js, Socket.IO, Redis, Azure AKS)

- Architected scalable tool supporting 100+ concurrent users with <100ms latency
- Built microservices with Redis caching → **200%** better scalability under load
- Reduced initial load time by **45%** using lazy loading, memoization & hooks
- Achieved 99.9% uptime with E2E testing & JMeter load testing (500+ users)

Software Intern | OpenGrowth Academy, Patna Feb 2022 – May 2022

- Developed responsive UI for Resource Library Management System (Laravel, Bootstrap, MySQL)
- Improved content publishing efficiency by **35%** with CKEditor integration

EDUCATION

MCA – Patna University (2020–2022) – 8.6 GPA

BCA – Patna Women’s College (2016–2019) – 8.1 GPA

ACHIEVEMENTS & CERTIFICATIONS

- Bronze Cheers Award (2023 & 2024) – Genpact
- Consistently rated **Outstanding (5/5)** in performance reviews
- Multiple client appreciations for scalable & user-centric delivery
- Certifications: Generative AI (Beginner), Android App Development
